A multi-talented Virtual Assistant blending Private Law precision with Digital Marketing strategy. I provide high-level executive support by leveraging AI-driven workflows, detail-oriented administrative management, and persuasive communication skills.

With a background in Real Estate negotiation and Graphic Design, I don't just manage tasks—I enhance brand aesthetics and optimize digital performance through strategic A/B testing and compelling narratives.

Certified in AI Essentials and dedicated to helping global firms scale through efficiency, technical expertise, and creative problem-solving.
